Please join the Rogers City Downtown Development Authority for an "Economic Summit" on Thursday, June 13 at the Rogers City Theater (257 N. Third).

Doors open at 5:30 p.m., with the Summit itself from 6 p.m. to 8 p.m.

The Summit will be hosted by Joe Borgstrom of consulting firm Place & Main, who is working on economic development and community marketing plans for the City of Rogers City.

The Summit will follow up on a similar town hall meeting conducted at the theater a few years ago, with a goal of creating action plans that can be implemented and evaluated.

Having such plans in place opens Rogers City and local businesses to State grant dollars most Michigan communities cannot access.

To make it all possible, however, your input is vital.

Light refreshments will be served at the event. We look forward to seeing you there!
